The society meets throughout the year at various locations. Programs vary from well known speakers to bus tours, plant exchanges to sales of rare and valuable specimens. We have tours of members' gardens, pot luck lunches and dinner meetings. We put on a Hosta Exhibition and a Daylily Show during the summer. About every other month you will receive our newsletter containing upcoming events, and informative articles. The GCDHS is affiliated with the daylily and hosta national societies and urges its members to join one or both.
